

Certification Process

LOOKING TO GET EQ-i 2.0 CERTIFIED?

We want to make you the authority in emotional intelligence. If you are not already certified in the EQ-i, now is your chance to become part of the EQ-i 2.0 experience.

Why get certified in the EQ-i 2.0? *Give yourself a unique competitive advantage*

- **Access** – to the EQ-i 2.0, a Level B instrument that is well respected in the market and a leading-edge assessment to add to your toolkit
- **Grow** – your business by using the EQ-i 2.0 as a catalyst for building your client development action plan
- **Diversify** – your practice by using the EQ-i 2.0 in a variety of ways: leadership development, selection, executive coaching and much, much more.

WHAT DOES CERTIFICATION INCLUDE?

- Access to resources on the EQ-i 2.0 and emotional intelligence in general
- Access to an online portal where you can connect with current EQ-i 2.0 certified practitioners like you

- Two free reports to use after you get certified and an online account where you administer and score the assessments
- You get to take the assessment yourself and get feedback from an experienced coach
- A certificate authorizing you as eligible to purchase and administer the EQ-i 2.0

EQ-i 2.0 CERTIFICATION PROGRAM COMPONENTS

- A blended learning solution that enables you to do parts of the certification online, saving you time and travel costs
- A 1.5 day interactive in-class portion focused on building the skills you need in order to use the EQ-i 2.0 with confidence
- A virtual classroom where you access elearning pre-work as well as the online exam
